TERMS:

Shipping, handling costs and taxes (if applicable) are additional; however, winery pickup is optional. You will be notified by email approximately four weeks before shipment. At that time, we will provide an approximate shipping date and an estimate of the total cost including shipping. You must tell us within one week of shipment notification if you wish to pick up from the winery, or we will automatically ship your wine. Your credit card will be charged at the time of shipment. Your initial commitment is to a full year's membership (two shipments). Cancellation of membership during the first year will result in a fee equal to 50% of the outstanding shipment(s). After the first year you may resign your membership at any time before each notification e-mail. Cancellation after notification will result in a fee equal to 50% of the notified shipment. You must be age 21 or over to be a member. Shipment can only be made to states where we're legally allowed to ship to and must be received by someone age 21 or over.

*I hereby give Atticus Wine (Atticus Wine Cellars) permission to charge the above credit card for two automatic shipments per year. Actual charge amount dependent on membership level, wine selection and delivery preference.
I have read and agree to the Terms of the Atticus Parliament and confirm that I am 21 years of age or older.*
